Dave Quirt has enough manuals, reference materials, magazines and catalogues to fill a small (large?) room. However the are currently stored in boxes and no listing is available. Ask and you might receive??

NOTES

- 1) All **SBCC-owned** library materials are at my residence
- 2) Borrowers: If the sytem is to work and endure, you must adhere to the lender's rules and requests
- 3) Lenders: You are ultimately responsible for your materials. Document the name, address, phone number and the return deadline for all the stuff you lend out.
You are not obligated to lend your materials just because you have them listed here.
- 4) This is what members have sent to me thus far. If anybody else has materials they want to share, please send them to me by e-mail using the headings in this list (in Excel format if possible).
- 5) All my contact information is listed in the SBCC address list that Ron Bland sends out every year
